

## Declaration of use of GAI tools

☒ **We used generative artificial intelligence (GAI) to complete this project** (*tick the box*). List the GAI tool(s) you used (remember to specify version):

*ChatGPT 5.1*

I/we used GAI tools in the following way (*See accompanying list of possible uses for inspiration*)

| EXAMPLES OF LEGITIMATE USE CASES FOR GAI |
|------------------------------------------|
|------------------------------------------|

|                                                            |
|------------------------------------------------------------|
| For inspiration in relation to choice of theory and method |
|------------------------------------------------------------|

|                                          |
|------------------------------------------|
| For alternative ways of formulating text |
|------------------------------------------|

|                               |
|-------------------------------|
| To get started on our writing |
|-------------------------------|

|                       |
|-----------------------|
| For programming tasks |
|-----------------------|

*For each relevant use case, explain how you used GAI (see an explanation of the various possibilities on [Studypedia](#)).*

*We used GAI to find new ways of tackling the problem we were facing and to help us generate boiler plate code.*

*We used GAI for better formulation of text and for better structuring the report.*
